# Our Story

The Tulsa Dream Center started with one prayer, two sisters and a desire to serve North Tulsa. Today, we touch thousands of lives each year from our community center at 46th Street North – breaking the cycle of poverty, helping a community find healing and changing the trajectory of the next generation.

# What We Do

We help kids succeed through after-school tutoring, summer camps and sports leagues. These experiences teach leadership, build character and challenge kids to dream of what's possible. We also feed hungry families, provide healthcare for the uninsured and meet basic needs such as clothing.

## How You Can Help

We offer outstanding opportunities for businesses to make a civic impact and boost your visibility. Contact Kelly at **918.629.1037** or **kswan@tulsadreamcenter.org** to talk about becoming a partner.
