

Dream Builders

Our Story

The Tulsa Dream Center started with one prayer, two sisters and a desire to serve North Tulsa. Today, we touch thousands of lives each year from our community center at 46th Street North – breaking the cycle of poverty, helping a community find healing and changing the trajectory of the next generation.

What We Do

We help kids succeed through after-school tutoring, summer camps and sports leagues. These experiences teach leadership, build character and challenge kids to dream of what's possible. We also feed hungry families, provide healthcare for the uninsured and meet basic needs such as clothing.

2,000 kids
tutored since 2018

1,600 families
received clothing
assistance in 2021

New Stem Lab
opened in 2021

400 kids
participate in soccer
Dream League

950 people
served in our medical
clinic in 2021

300 kids
participate in basketball
Dream League

1 million meals
served per year

Pool & Splash Pad
opened in 2022

How You Can Help

Become a Dream Builder! These donors support us on a monthly or other recurring basis. This consistency helps us meet our budget of around \$2 million per year and provide additional services to the community such as our new pool and splash pad. Sign up today!
