Our Story

The Tulsa Dream Center started with one prayer, two sisters and a desire to serve others. Today we touch thousands of lives each year from two locations – breaking the cycle of poverty, helping people find healing and changing the trajectory of the next generation.

What We Do

We help kids succeed through after-school tutoring, summer camps and sports leagues. These experiences teach leadership, build character and challenge kids to dream about the future. We also feed hungry families, provide healthcare for the uninsured and help with basic needs.

Partner With Us

We promote our programs through fun community events. These big parties in North Tulsa and West Tulsa are super popular, with attendance sometimes reaching 2,000. This is an outstanding opportunity to boost your brand, make a positive impact and partner with a 501c3 nonprofit that's been around for 20 years!

Sponsorship Levels

Our three levels for major events are Gold (\$5,000), Silver (\$3,000) and Bronze (\$1,000), but we can work with any budget. We're also happy to talk about exclusive arrangements where you own the show! Our weekly grocery giveaways are a great way to come on board, too. They're just \$300.
