Changing Lives.**

Time To Shine

Every organization circles certain dates on the calendar that scream "This is our Super Bowl – all hands on deck!"

For the Tulsa Dream Center, this is it! We call it our **Season of Hope**. We're right smack in the middle of our biggest moments of the year.

Kids are counting on us at Christmas!

We host and serve nearly 10,000 neighbors between Friendsgiving (our Thanksgiving) and Christmas – a number that's growing with two campuses now.

This year we're collecting and distributing 8,000 toys. Cars literally line up for two miles to come through the giveaway line at our North campus.

This herculean effort requires hundreds of volunteers, complex logistics planning, lots of extra time from our talented staff, and raising support to make it all possible.

Our goal is \$500,000 to cover holiday expenses, start 2024 strong and sustain our new operations like our swimming pool and our new location in West Tulsa.

Those dollars go directly into loving people locally, meeting some of their deepest needs (like food, clothing & medical) and consistently sharing a message of hope.

Already, we have so much to celebrate this year. Consider just a handful of the highlights from our youth programs in 2023:

- Our fifth graders won 2nd place in a national STEM competition.
- 900 kids have taken swimming lessons at our new pool.
- 225 students attended summer camp at our two campuses.
- 207 students are enrolled in after-school tutoring at our two campuses.
- We kicked off the 2nd season of our new flag football league with 88 kids.

We can't say thank you enough to everyone who partners with us – from churches and foundations to our volunteers and every single financial supporter.
